

# REBOUND

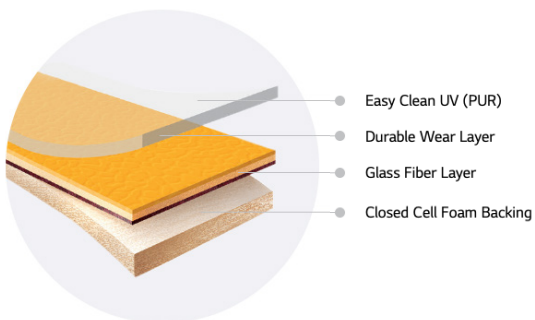

## SPORTFLOOR SHEET

**REVERE**

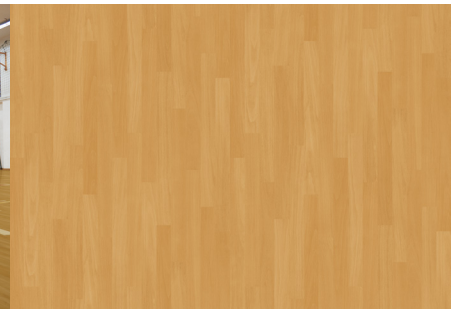

Revere's Rebound Sport Floor is designed to be the perfect fit where shock absorption, slip resistance, acoustics, and other requirements are needed for sporting activities.

### FEATURES & BENEFITS

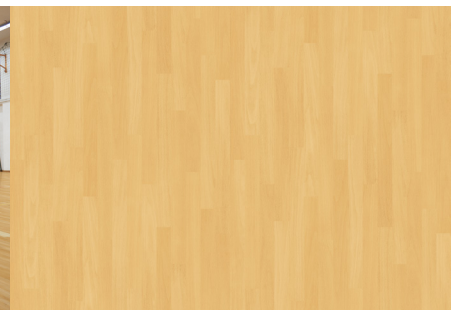

- Closed cell foam backing specifically designed for athletic floors
- Superior vertical stability eliminating "area" indentation
- Absorbs shock and impact
- Budget friendly option for a traditional suspended maple hardwood floor
- Seamless, hygienic, & easy to maintain
- Optimum traction and slip resistance preventing fatigue and injury
- Polyurethane finish requiring no additional polish or sealers
- High elasticity contributes to NCAA and for ball bounce
- Comfort under foot
- Acoustically sound for a quiet environment
